Internship

Data / Business Intern

Jan 2026 - Present

Hastin Research LLP – Consulting & Research Company

About: Working on data management, website support, and research-related tasks while gaining exposure to business analytics and consulting.

- Perform data cleaning, structuring, and analysis using Excel and Google Sheets to generate business insights and support decision-making.
- Assist in research documentation and website data management while preparing analytical reports and visual summaries.
- **Tech stacks used:** MS Excel, Google Sheets, Data Visualization (Charts & Dashboards), Google Docs, Zoom.

Projects

Amazon Predictive Analytics | Python (IDLE), Scikit-learn, Streamlit

Nov' 2025 – Dec' 2025

- Built an end-to-end predictive analytics dashboard using Amazon sales data by applying machine learning techniques.
- Performed data preprocessing and exploratory data analysis in Python (IDLE), including handling missing values, normalization.
- Applied Principal Component Analysis (PCA) for dimensionality reduction and improved model performance.
- GitHub Repository Link: <https://github.com/yash-singhal-02/amazon-predictive-analysis>

Interactive Sorting Algorithm Visualizer | HTML, CSS, JavaScript, Sorting Algorithms

Jul' 2025 – Aug' 2025

- Developed a web-based tool to visualize Bubble, Selection, Insertion, and Merge Sort in real time.
- Added interactive controls for array size, speed, and algorithm selection.
- Integrated step-by-step algorithm breakdowns to help users understand time complexity visually.
- GitHub Repository Link: https://github.com/yash-singhal-02/Interactive_Sorting_Algorithm_Visualizer

Training

Mastering In DSA | C++, STL, DSA | LPU

Jun' 2025 – Jul' 2025

- Completed an intensive summer training program focused on mastering Data Structures and Algorithms (DSA), cover both fundamental and advanced concepts.
- Gained strong problem-solving skills through structured practice, implemented efficient algorithms, analyzed complexity, and solved real-world coding challenges.
- Gained hands on experience in competitive programming, practicing **270+ DSA problems** on LeetCode and GeeksForGeeks.

Certifications

- Nation C++ Skill Up | Geeks for Geeks | Certificate Link
- Certificate Of Merit (Mastering DSA) | Lovely Professional University | Certificate Link
- Introduction to Machine Learning | NPTEL (IIT Madras) | Certificate Link
- Responsive Web Design | Free Code Camp | Certificate Link

Aug' 2025

Jul' 2025

Jan' 2025

Sep' 2023

Technical Skills

Languages: Python, JavaScript, C, C++, Java

Technologies/Frameworks: HTML and CSS, Vs Code, MySQL, Power BI, Git, Excel, Packet Tracer

Skills: Time Management, Leadership, Problem-Solving, Adaptability, Quick Learner

Education

Lovely Professional University Punjab

Computer Science and Engineering — CGPA: 7.86

2023 – 2027

Phagwara, Punjab

Inspiration Senior Secondary School

2022 – 2023

12th with Science — Percentage: 67.4%

Nainital, Uttarakhand

Inspiration Senior Secondary School

2020 – 2021

10th with Science — Percentage: 78.8%

Nainital, Uttarakhand
